There is no charge for this presentation; all are welcome and encouraged to attend! Fall River native and former Boston Celtic, Christopher Herren, will share the story of his spiral into drug and alcohol abuse and his eventual recovery and rehabilitation at the Miller House, a Gosnold recovery program in Woods Hole. Herren was recently the subject of a compelling ESPN documentary entitled "Unguarded." The ESPN documentary, "Unguarded," was named the 2011 Sports Documentary of the Year! Barnstable High School is very excited to host this presentation and hope all will join us next Thursday, January 12th at 6:30 PM.
- On December 13, 2011, Governor Deval Patrick awarded Barnstable High School a citation in recognition of the creation, development, and implementation of the high school's anti-bullying program. This citation is in response to the numerous innovative anti-bullying strategies that have been implemented by Barnstable High School. Only thirty schools in the commonwealth were awarded this citation. Congratulations to the leadership and staff for this well-deserved recognition!
