Dear Colleagues,

This summer has been a powerful reminder of why we live on Cape Cod. Each day has been a gift of sunshine and warmth. It has been a perfect time to reflect, rejuvenate and relish our collective ability to restructure our schools in an exemplary fashion. I look forward to the upcoming year as we refine our work and strive to ensure that our **Core Values** are in place throughout the district.

- ❖ All children have the right to every opportunity to achieve their full potential.
- ❖ Each person deserves to be treated with dignity and respect.
- ❖ Integrity and personal responsibility are the hallmarks of our daily interactions.

Please join me on Monday, August 30th at 8:30 a.m. in the Performing Arts Center of Barnstable High School as we begin a new year. Coffee, tea, water and refreshments will be served in the senior cafeteria beginning at 7:30 a.m.

In order to clarify any confusion that may exist regarding participation in the opening day meeting, please refer to the table below. Following the activities at the high school, staff from each building are asked to report to their schools for the remainder of their work day. Each principal will be meeting with his/her staff on the 30th as well.

As I begin my fifth year as superintendent, I can only say that Barnstable is a powerful community where students are blessed with quality instruction and committed faculty and staff. Looking forward to greeting each of you as we begin a new year.

Sincerely,

Patricia B. Grenier
