March 13, 2017

To: All Families, Staff, and Students of Barnstable Public Schools

Subject: Asbestos Hazard Emergency Response Act (AHERA) Plans

Barnstable School System continues to remain in compliance with the EPA's Asbestos Hazard Emergency Response Act of 1986.

We have conducted our 3 year re-inspections in accordance with the AHERA Act in January 2014. We will be performing our next re-inspection during the summer of 2017.

The asbestos management plans for all schools are on file at the Barnstable School Maintenance office, 835 Falmouth RD, Hyannis, MA 02601 and in the Administrative Offices at each school. They are available for review during normal business hours.

If you have questions, please contact our Director of Facilities, David Kanyock at (508)790-6490.
