Marstons Mills, MA 02648

Dear Marstons Mills East Horace Mann Charter Public School and Community,

On behalf of Accelerated Schools plus, I am writing to extend heartfelt thanks for a wonderful experience visiting your school and to inform you of our selection.

The day our selection team spent on your campus was extremely impressive. You have a great deal to be proud of. The selection of demonstration sites is a difficult process because all of the sites we visited are fully implementing the model. Our task was to select the best of the best; those schools that are doing the best job with implementation, powerful learning, creating a student centered community culture while relentlessly pursuing ways to meet student needs and improve Accelerated Schools implementation. Obviously this type of selection is subjective and that is why the team that visited went through the site together rather than individually.

Overall, the team was excited about what they saw and we are pleased to inform you that Marstons Mills East Horace Mann Charter Public School School has been selected as a demonstration site for the 2007 – 2008 school year. Our Demonstration Site Committee will be in touch with you soon to firm up the details concerning the award.

Congratulations!

Sincerely,

Gene Chasin
National Director
Accelerated Schools plus
