Topic 1: Staff Meeting for December 4, 2006

Mr. Keenan distributed a handout to the Steering Committee. The handout was a breakdown of all the questions posted by the staff along with solutions noted on the sheets. Questions are listed in order of priority grouped by category.

Discussion was held on the format to follow at the Staff Meeting today. It was decided to let the whole staff make that decision. The Group Norms will be displayed. It will be held in the foyer.
