

Barnstable Public Schools

Community Read

Staying connected even when we are apart!

All students from K-5 will be receiving this book to read as a family! Whether you read it on your own, have it read to you or listen to someone read to you on our private YouTube channel, we will all experience this opportunity together!

As a complement to our phase 3 learning plan, teachers will be aligning assignments/activities to this text.

Stay tuned for more information regarding distribution!
