## **I District Vision**

### **Vision Statement for the Barnstable Public Schools**

The Barnstable Public Schools educates the whole child by creating a child student centered school culture that addresses students' physical, social, emotional, and academic needs by creating a safe and healthy learning environment in which students are challenged, supported, and engaged.

## **II School Vision:**

Barnstable High School, in partnership with parents and community, promotes academic excellence and artistic expression and prepares a diverse student body to be creative, responsible, productive citizens.

We take **PRIDE** in our students and in our community.

**Productive, Respectful, Involved, Diverse, Educated**

## **LEARNING EXPECTATIONS**

### **Barnstable High School Students will:**

- think and read critically
- demonstrate technological literacy
- write and speak clearly
- obtain, evaluate and apply information effectively
- listen actively
- demonstrate creativity
- exhibit local and global responsibility
- maintain physical, social and emotional wellness

The Barnstable High School Problem Solving Process is our research-based, approved method improving process or outcomes. The action steps of Define Goal, Problem Analysis, Implement Plan and Evaluate are to be completed by the team with fidelity.
