Proudly representing Massachusetts' 9th Congressional District

MA-09 **VIRTUAL** SPRING ACADEMY INFO NIGHT

Due to the ongoing COVID-19 outbreak, we were forced to call off our annual in-person Academy Info Night. However, our academy reps have stepped up and offered to share some information online, at a LIVE Zoom meeting version of the Academy Night.

Students (and their families) who are interested in attending one of the academies are encouraged to take part. We will have presentations from each of the four federal service academies (West Point, Naval Academy, Air Force Academy and Merchant Marine Academy), plus the US Coast Guard Academy and Mass Maritime Academy. We also hope to offer opportunities for one-on-one chats with each of the reps. In addition, the updated service academy nomination application for MA-09 will be made available on May 21st.

**THURSDAY, MAY 21, 2020
6:00 PM**

If you are interested in attending the virtual Academy Info Night, please email Michael.Jackman@mail.house.gov to receive the meeting credentials.

Any questions, call **508-746-9000**. We look forward to seeing you ONLINE.
