DISTRICT VISION
The Barnstable Public Schools educates the whole child by creating a student centered school culture that addresses students’ physical, social, emotional, and academic needs by creating a safe and healthy learning environment in which students are challenged, supported, and engaged.

CORE VALUES
In Barnstable Public Schools, we value commitment, collaboration, and community…

- Commitment: We are dedicated to the continuous learning and growth of all.
- Collaboration: We work together while keeping student needs at the center of all decision making.
- Community: We build strong, respectful partnerships that support student success.
