If there are other children in your household who aren't listed, they also qualify for free meals.

If you are not receiving Supplemental Nutrition Assistance Program (SNAP) benefits and have been approved for free school meals, you may be eligible for SNAP which provides monthly financial assistance to purchase groceries to Massachusetts residents who qualify. # Sharing Information with Medicaid/CHIP

---

Dear Parent/Guardian:

If your children get free or reduced price school meals, they may also be able to get free or low-cost health insurance through Medicaid or the State Children's Health Insurance Program (CHIP). Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, *the law allows us to tell Medicaid and CHIP that your children are eligible for free or reduced price meals, unless you tell us not to.* Medicaid and CHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or CHIP, fill out the form below and send in.

(Sending in this form will not change whether your children get free or reduced price meals).
